📅 2017 - 2019 📍 Salem, India

Percentage
49 / 100

PROJECTS

Skill Assessment

📅 05/2023 - 09/2023 📍 Chennai

"Led a 9-member team in creating a skill assessment platform using React and .NET WebAPI. Enabled employees to select topics, take assessments, and track progress, incorporating JWT token security.

- Orchestrated and led a team of 9 members, fostering collaborative experiences and skill development.
- Demonstrated consistent learning by applying Agile methodologies for project management and tracking.
- Leveraged Agile practices to ensure a successful outcome, promoting adaptability and efficient project execution.

Travel Portal

📅 08/2023 - 08/2023 📍 Chennai

🔗 https://github.com/Abraar-kanini/Big-Bang-Assessment3

Developed a comprehensive "Travel Portal" featuring three distinct user sides:

- User Interface: Enabled users to browse, book tours with detailed itineraries, and generated bills in PDF format.
- Agent Interface: Empowered agents to post agency details, facilitating tour listings and management
- .Admin Interface: Admin-exclusive access to approve agency registrations, ensuring quality and authenticity.
